WAVE RUNNER

American IPA

Pale, dry and very aromatic. The explosive hop profile comes from American varieties used at different stages of production that give back a unique bouquet with mango, apricot, peach and citrus overtones.

Alc. Vol. 6,5%

RIVERSIDE

Pale Ale

Golden Pale Ale brewed with a mix of Pale and Pils malts and fermented with an American yeast strain. The hop profile is the result of a combination of hops from different countries, which give the beer unique flavours going from grassy and earthy to flowery and citrusy.

Extremely quaffable and complex at the same time.

Alc. Vol. 5,2%

SPRING

IPA Amber Ale

A ruby red Amber Ale, brewed with five different malts that provide intense malty as well as fruity flavours. The gentle, flowery hop profile comes from the blend of Kent Golding (UK), Saphir (Germany) and Sterling (USA) varieties.
